**CLEVER PACKAGING SOLUTIONS:** Bag-in-Box packaging, practical Stand up Pouches, and sturdy outer cartons for Bag-in-Box systems.

## Bag-in-Box

Bag in Box packaging is a set of packaging which consists of high-barrier multi-layer polyethylene bag and a rigid outer shell (cardboard box, drum, case and etc.) In our assortment we offer packages from 1 L to 220 L.

## Stand up Pouch

Innovative and up-to-date Stand up Pouch packaging is a more convenient Bag-in-Box alternative. Stand up Pouches are made from combined barrier films, to keep the liquid safe from the air, sun and other components. We offer 0,75 L to 5 L volume packages.
